

Ken-Ton Big Picture TGIF

One student at a time.

2018-2019 Recruitment Begins

Big Picture needs your help!

It may seem early to start talking about next school year, however, starting the process of identifying students for Big Picture begins now. Over the next month we will be contacting teachers, school counselors and social workers for their student recommendations. These recommendations are just a starting point in the process. Some of the qualities that make a student a good fit for Big Picture are listed to the right.

Be on the lookout for more information in the coming weeks and months. The goal is to meet with every recommended student at their home school to discuss the program and the application process. We will also set up Shadow Days for prospective students so they can see first-hand what we are all about.

We also invite you to visit us any time you can. It is hard to fully comprehend the way the program works through emails and newsletters. It is best to walk the halls and see what students are working on and what a typical day is like at Big Picture. If you want to visit us on the 3rd floor of Kenmore Middle, please feel free to call Kevin Kruger at ext. 32306 or Anne Blenk at ext. 32337.

Big Picture Qualities

- Curious - Open to a new and different type of learning.
- Thoughtful - Able to state ways in which the traditional school setting has not worked for them.
- Self-Aware - Aware of their own strengths and challenges.
- Thinker - All options for successfully completing high school have been investigated.
- Open-minded - Willing participant in the advisory program.
- Caring - Understands he/she will join a learning community.
- Principled - Self-disciplined and goal-oriented.
