Shadow Days

Current 8th Grade Students Visit Big Picture

Over 35 KE and KW students attended a Shadow Day

The school counselors at Kenmore East and Kenmore West invited current 8th grade students to a Shadow Day to learn more about the Big Picture Program. More than 35 students attended a Shadow Day on either March 7th or March 9th. The visit included participating in a Pick Me Up Activity, meet with the Principal and Program Coordinator, tour the school and meet some current Big Picture students from each Advisory.

The students from KE and KW took this opportunity to talk and ask questions about the program so they can make a more informed decision about applying for Big Picture. Many students took an application with them at the conclusion of the Shadow Day and some even asked for an application for a friend they thought might be interested in Big Picture.

The next step in the process is a Parent Information Night on Monday March 12th at 6:30 PM in Room 329 at Kenmore Middle located at 155 Delaware Road in Kenmore. Parent involvement is essential for student success at any school and Big Picture is no exception. We meet with parents to help them support their child should they apply and be accepted at Big Picture.

The annual Big Picture Exhibition Fair will be on Wednesday March 21st at 6:30 PM. Join us in the Kenmore Middle Second Floor Library to see all of the great research our students completed on the Independent Projects this year.

You will see projects ranging from small engines to art to military branches and more! The students will be present to discuss the research they are presenting as well as provide some artifacts about their topic.

This event is open to the public! Please feel free to share this invitation with family, friends and colleagues.
