## ACCELERATED MATH COMMITMENT FORM

Student Name \_\_\_\_\_ School \_\_\_\_\_

Current Math Teacher \_\_\_\_\_ Grade \_\_\_\_\_

- I am aware that the accelerated course is rigorous and demanding. I believe that I have the necessary academic background, commitment, and motivation to succeed.
- I am aware that I will be expected to complete summer work in order to be adequately prepared for September.
- I am prepared to make a commitment to the class and I am aware that my 8<sup>th</sup> grade course average will be part of my permanent high school record.
- I am aware that as an accelerated 8<sup>th</sup> grader I will be taking the NYS Grade 8 Math Assessment in April as well as the common core Algebra 1 exam in June.
- **I am aware that I will not be eligible for acceleration if I score a 1 on the NYS Math Assessment or if I score below a 65% on the local final exam.**
- I have discussed my decision for accelerated placement in math with my teacher, counselor, and parents.

This completed form must be submitted to your current math teacher.
