

IT'S TIME... "In the end,
we only regret the chances

Sooooooooo...

School Hours

Students enter building 8:35 a.m.
Traditional Day runs from 8:45-3:29
Early Music Ensembles 7:50-8:35

Extended day runs from 3:29-4:00*

on Tuesdays, Wednesdays, and Thursdays

*Extended day includes homework work time,
assistance from teachers, and some clubs and sports

**Many clubs and sports programs do
not begin until 4:00 which allows for a
half hour of concentrated extra help
or homework time.**

Start and end times will be specified on permission slips
for specific sports and clubs.

Parents. Please talk with your student about
possible activities or interests, and assist him/her
to investigate further the when, where, and how
factors of the activity or sport.

Students. Please understand that choices *may*
need to be made if activities overlap or if they
may interfere with family and/or academic
obligations. It is important for you to learn to
communicate so please allow yourself the chance
to discuss your concerns with your parents, the
club advisor, a teacher, or your counselor before
making any final decisions on joining or leaving a
club, group, or sport. We are all here to support
and encourage you to try something new!!!! ©
