

IT'S TIME... "In the end, we only regret the chances we didn't take!"

Sooooooooo...

## School Hours

Students enter building 8:05 a.m.  
Traditional Day runs from 8:15-2:50

**Extended day\*** runs from 2:53-3:30  
on Tuesdays, Wednesdays, and Thursdays

\*Extended day includes homework work time,  
assistance from teachers. **No bussing is provided!**

**Many clubs and sports programs do not begin until 3:30 which allows, some limited, extra help or homework time.**

Start and end times will be specified on permission slips for specific sports and clubs.

**Parents.** Please talk with your student about possible activities or interests, and assist him/her to investigate further the when, where, and how factors of the activity or sport.

**Students.** Please understand that choices *may* need to be made if activities overlap or if they may interfere with family and/or academic obligations. It is important for you to learn to communicate so please allow yourself the chance to discuss your concerns with your parents, the club advisor, a teacher, or your counselor before making any final decisions on joining or leaving a club, group, or sport. We are all here to support and encourage you to try something new!!!! ©
