<ul style="list-style-type: none"> <input type="checkbox"/> 2 pocket folder (not plastic) 	

6th Grade Supply List

Summer Reading:

It is ***strongly recommended*** middle school students read **2 books** or more during the summer. Summer reading provides valuable, worthwhile entertainment, and it exposes students to rich experiences beyond the classroom. Additionally, reading a variety of books increases knowledge, vocabulary and improves the mental focus and stamina needed for success in school.

Fortunately, there are a wealth of middle school authors that appeal to middle school readers' sense of survival, mystery, romance, fantasy and humor. A suggested summer reading list is located on the BFMS website www.kenton.k12.ny.us. Popular titles and authors are found in the BFMS Library web page in the left hand column under Summer Reading. Additional lists are available at your local libraries, www.buffalolib.org and Barnes and Noble bookstore on Niagara Falls Boulevard.

Any title approved by a parent is acceptable for summer reading. Encourage your children to find out what their friends are reading, and he or she can share in the summer fun! In September, students will turn in "**BFMS Reading Coupons**" for a chance to win cool prizes. Copies of the coupons are available on the BFMS library website and/or will be available from their teacher in September. The coupons ask students to keep track of titles, authors and short descriptions of their favorite scenes. Thank you in advance for encouraging your child to engage in summer reading, enhance critical reading skills and develop essential life-long learning habits.

Happy reading and we'll see you in September!
